

ROCKFORD LIONS CLUB R AR

VOL 64 February 22, 2018 NO 10

From the desk of

President Lion Steve Neveau

I'm looking forward to seeing you all at our next meeting. The Lions will host students who participated in the Peace Poster contest, their families, and their teachers to present awards and give recognition for their hard work. Let's have a good turnout and show our guests what an outstanding organization the Rockford Lions are and give them the recognition they deserve.

Guest Speaker: Please welcome Dr. Carol Good-Kamradt. Dr. Good provides care for dogs and cats. She gives each patient a physical exam from the tip of the nose to the end of the tail and then creates an individual treatment/diagnostic plan to keep them healthy or address any problems. Dr. Good graduated from Michigan State University, College of Veterinary Medicine in 1985. Dr. Good also has a BS degree from MSU in Microbiology and Public Health. She has been a small animal veterinarian at Rockford Animal Hospital for 15 years and the owner for the last 10 years. She has 32 years in practice.

Lion Magazine will now be printed six times a year beginning this past month. The digital February edition of the LION will be posted at lionmagazine.org. Print and digital will alternate each month. Recognizing the demand for digital content, Lion's International Board of Directors decided in 2015 to reduce the number of print issues. Chili Cook-Off scheduled for Thursday, March 8th. The event will be held at the Rockford American Legion. Over 12 chili cooks have registered, but always room for more. We are still in need of donations for deserts and for the silent and live auction.

Nominations: Board nominations are coming up at our March 22nd meeting. There will be three positions available for 2-year Directors.
